Rules

Please:

- I. Be safe. Use walkways whenever you can, and try to go with a friend.
- II. Know you don't have to pick up anything you're not comfortable with.
- III. Track your hours and take pictures of litter filled trash bags. You can place them next to a nearby stop sign that shows a street name so Operation Green Team can locate it and pick it up. I will be the one to send it to them.
